View Property

OVERVIEW

Set within the acclaimed Woodberry Down waterside regeneration in North London, this contemporary apartment at Nature View Apartments offers an exceptional balance of modern urban convenience and tranquil natural surroundings. Positioned directly beside the expansive East and West Reservoirs and the renowned Woodberry Wetlands nature reserve, the property enjoys a peaceful, leafy setting while remaining effortlessly connected to the heart of the capital.

Designed for modern living, the apartment features a bright, airy layout finished to a high specification, complemented by strong energy efficiency and lift access. Residents benefit from the thriving community atmosphere of Woodberry Grove, with an array of on-site amenities right on the doorstep-including artisanal cafés, a supermarket, a post office, and wellness facilities-alongside the popular West Reservoir Water Sports Centre.

KEY FEATURES

- Manor House Station nearby
