View Property

OVERVIEW

A rare opportunity to acquire a beautifully preserved five-storey Georgian terraced home on Commercial Road, E14, dating from 1801 and retaining a wealth of original period character. The property offers a unique combination of historic features, generous accommodation and excellent potential for flexible modern living.

A spacious half-landing kitchen and dining extension provides a versatile additional space with potential for use as a home office, bedroom or further living accommodation. Further benefits include a conservatory and private rear garden, while practical improvements include updated electrics, a modern boiler and replacement radiators throughout.
