## OVERVIEW

Well-positioned 3rd floor apartment boasting 522sqft, available in the all new, Building 10, the most renowned and characteristic building in Royal Arsenal Riverside. Estimated Completion: March - May 2022

Building 10 is estimated to complete between March – May 2022 and is truly different from anything at Royal Arsenal Riverside, historically a Royal Carriage Factory building the carriages for the British artillery and dates from 1802. The building is now being restored and will house a vibrant courtyard of conveniently situated retailers and local businesses, along with a new 10 storey residential building ascending from the refurbished factory below.
