OVERVIEW

Well positioned 3rd floor one bedroom apartment dual aspect with balcony space. Woolwich among property hotspots tipped for further growth when the Elizabeth line launches next year.

Riverside Greenwich is steeped in history, with the world’s largest maritime museum, the monumental Cutty Sark and the Royal Observatory only moments away. Further east, towering Canary Wharf blends shopping with events throughout the year, from summer concerts to Christmas ice-skating. More locally, independent new bars and restaurants are re-energising the palate, and the General Gordon and Beresford squares are becoming destinations in their own right. Open-air dining, organic cafés and thriving farmers markets add colour and variety, whilst new gastro-pubs, pizzerias and the vast Tesco supermarket promise a flourishing future for the district.
