OVERVIEW

Situated within the prestigious Canaletto Tower development on City Road, this beautifully presented furnished studio apartment offers luxurious contemporary living in one of Central London's most distinctive residential skyscrapers. Designed by internationally renowned architects UNStudio, the development combines striking architecture, sophisticated interiors and an exceptional collection of exclusive residents' facilities.

The apartment features a bright and thoughtfully designed open-plan living and sleeping area, enhanced by expansive glazing that allows an abundance of natural light throughout. Contemporary furnishings, elegant finishes and a carefully considered layout create a sophisticated yet comfortable environment, perfectly suited to professionals seeking a premium Central London home.
