Asking Price £695,000

Full Description

This beautifully appointed one-bedroom apartment is situated on the second floor of the exclusive Chelsea Botanica development and enjoys a west-facing aspect with serene views over the landscaped communal gardens. Chelsea Botanica is a boutique collection of just 133 homes, perfectly positioned moments from the River Thames and Imperial Park. Designed with wellness and modern living in mind, residents benefit from a carefully curated suite of amenities, including private gardens designed in collaboration with the Royal Botanic Gardens, Kew, and access to The Atelier Club offering a 24-hour concierge, co-working spaces, and a beautifully designed residents' lounge. The development is also home to the UK's first residential fitness suite created in partnership with Peloton, reflecting its commitment to health, balance and community. Inspired by Chelsea's design heritage and West London's cultural roots, the interiors and communal spaces have been crafted by the award-winning Atelier NM, recognised as one of the Great British Brands 2022. The result is a timeless aesthetic blending understated elegance with artisanal quality. Each apartment features private outdoor space in the form of a balcony or terrace, with many enjoying views over the gardens, Imperial Park and, in select cases, towards the River Thames. Imperial Wharf Station is just a short walk away, offering direct connections to Clapham Junction and the wider rail network. Parsons Green and Fulham Broadway (District Line) also provide fast underground access to central London.
