## Full Description

3rd Floor | Facing Harbord Square Park! 8 Harbord Square is the latest residential building being delivered as part of Canary Wharf's expansion into its new Wood Wharf district which already includes the highly popular 10 Park Drive and One Park Drive buildings. Designed to reflect the heritage of the brick warehouses typical of the area, 8 Harbord Square provides an architectural nod to the history of Canary Wharf, while its modern and sophisticated interiors are reminiscent of Manhattan lofts. The apartments have been designed with open plan living very much at the forefront. The only internal walls are to the bathroom, the rest of the apartment is completely open plan. You decide where you want to put your sofa, bed, wardrobes and then you can move around as often as you want. There are two floor plan options to choose from a 75 sqm plan which could be configured as a 1 bed apartment and a 96 sqm plan which could be configured as a 2 bed.
