Boasting the highest possible specification living space. Situated on Hanover Square, Mayfair's oldest square, Hanover Bond is the front door to the best that Mayfair and London have to offer. The latest addition to Clivedale London's development portfolio, Hanover Bond will deliver The Residences at Mandarin Oriental Mayfair, London and a Mandarin Oriental hotel with 50 guestrooms. With hotel and residences fully integrated in one building, residents experience privileged access to Mandarin Oriental's celebrated services and amenities. Owners will have access to a dedicated residential lounge. Exclusive residents' valet parking is available below ground level and there is an easily accessible drop-off point on the corner of Hanover Square in front of the building. Designed by the internationally renowned Rogers Stirk Harbour + Partners, Hanover Bond is inspired by its surroundings yet utterly modern, its Mayfair heritage expressed with a contemporary accent. Formed of two towers connected by an iconic glass core, the building sees its acclaimed architects evolve their signature style in a richly historic context. Its panelled construction is a contemporary reimaging of the Florentine palazzi that inspired Mayfair's original architects, while cutting-edge construction techniques allow layouts of unprecedented openness and flexibility. Hanover Square is in Mayfair, the very heart of London, with Soho to the east, Fitzrovia and Marylebone to the north, Piccadilly and St James's to the south, and Hyde Park, Belgravia and Knightsbridge to the west. Today Mayfair has once again become London's most fashionable residential neighbourhood.
