Asking Price £1,170,000

## Full Description

**\*\*COST PRICE SALE FROM 2017\*\*** Well positioned 26th floor two bedroom apartment, being offered at original purchase price. The property is compiled over 925 Sq. Ft. Benefitting from it's own, private balcony with west views of Canary Wharf and of the further City. The Cluster apartments form the heart of the building. Here, the floorplates are mirrored and rotated to create a rhythmic visual complexity, while still maintaining the clarity of the internal spaces. The lower levels are connected with the parks and the water; the higher floors are connected with the sky. One Park Drive represents the best of Canary Wharf as the private Estate develops into a new destination for London. The defining building of the new residential neighbourhood will be One Park Drive. It will embody the vision and set the standard for the whole district. Canary Wharf is well-connected: it's a short distance from London City Airport, there's the Jubilee Underground line, two Docklands Light Railway stations and a Thames River Bus pier. The arrival of Crossrail in 2018 will mean you'll be able to reach the West End in 13 minutes and Heathrow in just 39 minutes.
