

One Park Drive, Canary Wharf, E14 9SB

Asking Price £1,460,000

Full Description

Superbly positioned 40th floor two bedroom apartment, situated in Canary Wharf's premier development, One Park Drive. Spread across a more than generous 1,170 sqft, this superb dock facing apartment, with private balcony is not to be missed. The Cluster apartments form the heart of the building. Here, the floorplates are mirrored and rotated to create a rhythmic visual complexity, while still maintaining the clarity of the internal spaces. The lower levels are connected with the parks and the water; the higher floors are connected with the sky. One Park Drive represents the best of Canary Wharf as the private Estate develops into a new destination for London. The defining building of the new residential neighbourhood will be One Park Drive. It will embody the vision and set the standard for the whole district. Canary Wharf is well-connected: it's a short distance from London City Airport, there's the Jubilee Underground line, two Docklands Light Railway stations and a Thames River Bus pier. The arrival of Crossrail in 2018 will mean you'll be able to reach the West End in 13 minutes and Heathrow in just 39 minutes. These particulars are not intended to form part of any contract. Photographs may depict general images of the development and may not show the actual apartment for sale.
