OVERVIEW

RARE FIND This prime location, recently renovated end of terrace freehold house enviably situated on a cul-de-sac location, within a very short walking distance to a plethora of local amenities including the popular Lordship Lane & Dulwich Village.

Architectually designed end of terrace house boasting two off road parking spaces. Stepping into a bright yet private space, warm to the foot with its water-fed underfloor heating system found throughout. Walking through a spacious lounge with polished concrete flooring into to a utility room & WC. Entering into the high spec kitchen with a three seat spanish stone breakfast bar, waterfall sunken edged sink with a german 'Insinkerator' (4 in one tap) Instant boiling, filter water, hot and cold. Waste disposal in sink unit and a skylight flooding light in overhead. A built in cavity uplight dining area, this house is set apart from the rest!! An absolute must see home!
